Our Story

The Feed Store has been an evolution of ideas bantered around among family and friends for more than a decade. Owner George "Keoki" Willis IV, whose love of cooking and appreciation of good food, envisioned having a restaurant and to that end pursued, adapted, and embraced those ideas along with a business concept he believes will serve his customers well. Opened in 2018, we offer freshly prepared meals, homemade pastries, and fine dining quality in a relaxed and inviting atmosphere making life easier and more enjoyable ... what's not to love about that!
